Hello All,

The updated Drug Lab Application is ready to be tested, and we will hold a training session on Friday, November 9 at 1:00 pm in Room 456 for all staff who will use the application. During the training, we will go over how to enter new evidence and enter results.

The new Drug Lab Application will replace the current application after all testing is completed, and your input is greatly appreciated. If you are unable to attend the session, please let me know as soon as possible. If you have any questions, please give me a call.

Thanks!

Kristen
